

Help Support Holy Cross Greek School!
Raise money while you shop!!
It's easy and it is free.

Holy Cross Greek School is enrolled in the E-Script Program. Our Greek school will receive a percentage of the purchases of registered club card members at Safeway, Lunardi's and many other retail stores. The school will also receive benefit from selected purchases made with registered Visa or Master Cards. The program is very simple, all you do is register on line at www.escrip.com, and every time you use your registered card our school will receive a donation.

Our school ID number is **500005539**.

If you shop at Albertson's you can have our school ID number (**500005539**) linked to your Albertson's card. Go to *Albertsons.com* to register.

Please take five minutes of your time and help us raise money for our Greek school. Please ask friends and family to register their cards too.
