Greek Language Immersion

Summer Camp 2008

Belmont Greek School

June 16 – June 20, 2008

Come to our camp and fly from Mount Olympus, home of Zeus and the other Olympian Gods to home of original Olympic Games under the Pegasus wings. The Greeks didn't have a "Top Ten" list of deities - but they did have the "Top Twelve" - those lucky deities living on top of Mount Olympus.

Students will learn more about the twelve Gods, their myths and rituals and will participate in activities that relate to the Olympic Games.

Core every day activities include Greek mythology, Arts, Music, Drama and Sports.

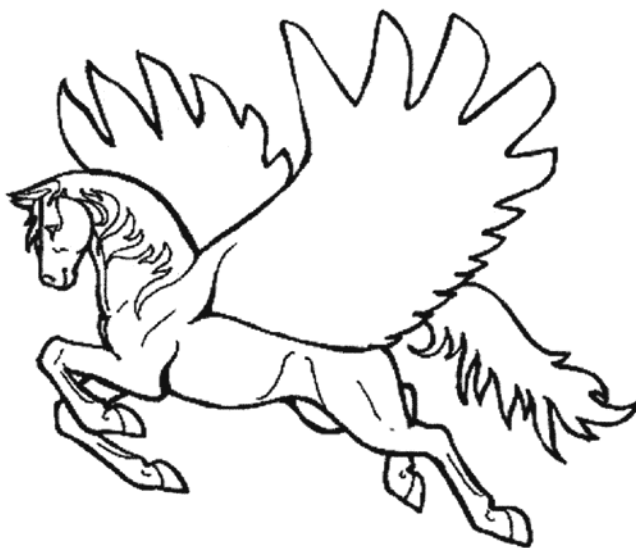

Campers are grouped by age, a healthy snack will be provided daily and students bring their own lunch.
