

Student Scholarship of the "Holy Cross" Greek School

The Greek school of Belmont believes that learning is a lifelong process. Our ancient philosopher said «Γηράσκω αεί Διδασκόμενος» which means "I Always Learn as I Age".

Education is both intellectually and morally intertwined with self-esteem and discipline. The goal of the scholarship committee is to promote the Greek language and/or culture.

Thus we are offering one award on each calendar year to a student pursuing studies in the Greek language or leadership in activities promoting the Greek heritage.
